Reusable Office Supply Exchange

REUSABLE OFFICE SUPPLY EXCHANGE

WHAT:

This wonderful self-service program is a place for you to bring all those surplus supplies lying around your office that you know someone on campus must be able to use. It's also a place to find usable items that you need for your office FREE, no strings attached, saving all kinds of money and time on supply ordering for your department.

WHOM:

This program is available to all faculty, staff, administrators, GTF's, and student groups. Come on in and check it out before you make that next Boise Cascade order.*

WHERE: 182 PLC

This service is conveniently located in a room on the North end of 180 PLC. It has its own entrance so you will never disturb a class. The light switch is outside the door on the left.

HOW: SIMPLE!

You can access the key via the English department's regular office hours (8:00-11:45am, 1:00-4:15pm, Monday-Friday). The English department is located on the first floor of PLC. Bring reusable items you no longer need and set them in the designated area. We will shelve the incoming items for you. Help yourself to the items you need. Use the log book to record what and how much you took. It's that simple. Appropriate items for R.O.S.E. may include: pens, pencils, manila folders, small equipment such as calculators, stackers, floppy discs, notebooks, staplers or whatever you've got. Just make sure that all items are in working order.

WHEN: NOW

The room is ready and waiting for your business. Do some spring cleaning and reclaim that shelving space in your office, or finally replace those scissors or stapler that has been missing for two months. All of us have a need for something, and we all have items that we can't use, but someone else can.

OTHER REUSE OPPORTUNITIES

Surplus Furniture Exchange is operated through Facilities Services (X62322). If you would like furniture for your office, feel free to visit the location at the old Romania Building, enter on Orchard St. side off Franklin Blvd. Hours are from 12:30-1PM, Monday-Friday.

There is an on-line surplus exchange you can find or get rid of items from your departments: <http://surplus.uoregon.edu>

For information on disposal of electronics, contact Environmental Health and Safety at (X63197).

Electronic materials exchange on the UO network available, contact Property Management to get onto the network.
